

**Artisan is #1 in Photo Quality, Preferred 3-to-1 by Consumers!\***

Preferred 3-to-1 by people just like you, Artisan all-in-ones were the clear winner in a recent Consumer Challenge conducted nationwide!

Launched in late-August, Artisan is a premium all-in-one printer line ideal for everyday printing needs and creative projects. Stylish and sleek, the Artisan all-in-ones help you unleash your creativity with the convenience of built-in wireless and wired networking. The premium Artisan all-in-ones print at blazing fast speeds, feature two paper trays and an easy-to-use control panel where you can select, copy, enlarge, rotate, crop and print photos all without a computer. Since its introduction, the Artisan line has been incredibly well-received, and has been given multiple industry reviews and awards.
